

Goetheanum School of Spiritual Science

Curative Education and Social Therapy Council

«Practice Spirit-Recalling»

An open School of Spiritual Science conference for colleagues working in Curative Education and Social Therapy
Friday, 6 and Saturday, 7 October 2017
at the Goetheanum in Dornach, Switzerland

Welcome!

Remembering and forgetting are essential for self-knowledge. But getting to know another human being and gaining insight into our relationship requires even more an active practice of self-reflection, review and karmic exercises, and meditation.

Only then can I transcend my own perspective and come closer to the inner being of the other. Spirit-recalling leads to true living in shared destiny.

We warmly invite you to this conference. It will take place at the Schreinerei of the Goetheanum and will be translated into German and English. Whisper-translations in other languages may be organized by participants. Please use the enclosed form to register.
